Looking for something new and exciting for you or your child to do? Tired of the same old sports? Do you have a shy child that could benefit from some confidence building or an assertive child that could learn a little patience?

Welcome to ***HORSEBACK RIDING!!***

At ***Tom Sworm Stables*** we offer private 30 minute riding lessons to beginners through advanced, children to adult for \$30. All you need are some comfortable clothes, a pair of boots or shoe with a heel and a helmet. A bike helmet will work or we have helmets to borrow. We supply everything else!

You don't ever need to own a horse to benefit from riding lessons. Think of those family trips when you could go trail riding or if you would like to think about something competitive we have programs set up to be able to compete on the local level with our horses.

Call now to reserve a time for you or your child that fits your schedule. You are also welcome to come and visit us anytime to see what we are all about!

Take advantage of the following special offers!!

***Purchase 2 lessons and get the 3rd lesson for free!
(\$90 value for \$60!)***
